2006*	0	0	19	0	0	0	0	19

*Preliminary

¹Blast furnace gas, propane gas, and other manufactured and waste gases derived from fossil fuels

²EIA only records data from the Blundell Geothermal Plant and not the Cove Fort Plant. Cove Fort's generation data have been added to the overall geothermal total for 1992 to 2002 (data obtained from company interviews).
